

SECONDARY EDUCATION (B.A.S.)

All students majoring in Secondary Education must also major in one of the following areas: Biology and Secondary Education (B.A.S.), Chemistry and Secondary Education (B.A.S.), Literature and Secondary Education (B.A.S.), World Languages Education - French (B.A.S.), World Languages Education - Spanish (B.A.S.), History and Secondary Education (B.A.S.), or Mathematics and Secondary Education (B.A.S.). Students should consult the University catalog information pertinent to the above majors for more information regarding specific course requirements in the appropriate area of study.

This major is one of the components of the program designed to ready candidates to apply for R.I. teacher certification for grades 7-12 for Biology, Chemistry, English, Social Studies, and Mathematics. Spanish and French certification is for grades K-12.

It is recommended that Biology majors seek certification in General Science which requires two physics courses (including a calculus prerequisite) and two chemistry courses.

All majors in Secondary Education must complete the following education courses (43 credits):

Code	Title	Credits
EDC-120	Introduction to Race and Inequity in American Education	3
SCD-212	Teaching Literacy in the Content Area	3
SCD-220	Child and Adolescent Development and the Theories of Learning	3
