

# BUSINESS ADMINISTRATION (B.S.)

The courses required to earn a degree in Business Administration include a broad range of accounting, finance, marketing and management courses that prepare graduates for a variety of opportunities in business, as well as for opportunities for graduate studies in related areas.

The Business Administration program at Salve Regina offers students a comprehensive understanding of various facets of business management and administration. Through a blend of theoretical knowledge and practical skills, students explore a broad range of topics such as accounting, finance, marketing, human resources, business ethics, and data analytics. This program equips students with the critical thinking, problem-solving, communication, and leadership skills necessary for success in diverse business environments. Students have opportunities for internships, experiential learning, and hands-on projects to apply classroom concepts in real-world settings. This program prepares graduates for a variety of opportunities in business, as well as for opportunities for graduate studies in related areas.

Business Administration majors complete a minimum of 120 credits to earn a bachelor's degree, including 41–44 credits of core courses (<https://catalog.salve.edu/undergraduate/curriculum-degree-programs/>) and 61 credits of major courses as listed below.
