

MARKETING (B.S.)

The courses required to earn a Bachelor of Science in Marketing degree provide a blend of creative and quantitative content with emphasis on marketing decision making and the development of marketing strategies to create and deliver value to the consumer. In addition to the required marketing courses, students select two elective courses in marketing, allowing them the opportunity to study specific areas of interest. The program also requires students to complete a 3-credit internship experience.

Marketing majors complete a minimum of 120 credits to earn a bachelor's degree: 49–51 credits of core courses (<https://catalog.salve.edu/undergraduate/curriculum-degree-programs/>), 3–11 elective credits, and 63 credits of major courses.

In addition, all students in the Marketing Degree program are required to be certified in the most recent version of Microsoft Excel through the Certipoint Microsoft Office Program by the end of their sophomore year. Once complete, students should submit the Excel Proof of Certification form found here (https://forms.office.com/Pages/ResponsePage.aspx?id=C-Lg8P3fBUuMbHSrmKV2Uk55IHGnNBjJmGW_r1rLR1UOUo5OE02WIE3VjWQj1U9wOU5IUdhPRCQ1QCNORWwU) for department approval.

Requirements to complete the major in Marketing consist of the Business and Economics core requirements (42 credits):
