

STUDENT AFFAIRS

The Student Affairs Division of Salve Regina University strives to educate students in all aspects of living outside the formal academic environment. It supports the University Mission by fostering personal and social growth, civic responsibility, and the development of life skills within the context of Catholic values.

Students are expected to be involved in the educational process which occurs in the classroom and extends beyond the classroom into the University and civic community. Participation in various forms of the educational process presents students with opportunities to demonstrate responsibility for their own lives and futures as well as to reach beyond themselves and exhibit concern for others.

Student Rights and Responsibilities

As a Catholic institution of higher learning under the sponsorship of the Sisters of Mercy, Salve Regina University exists to provide educational opportunities for students who choose to live a more perceptive and fulfilling life. The University's purpose is to prepare men and women for responsible lives by imparting and expanding knowledge, developing skills, and cultivating enduring values. It encourages students to develop their abilities for thinking clearly and creatively, to enhance their capacity for sound judgment, and to prepare for the challenge of learning throughout their lives.

Students are expected to treat all members of the University community with respect and civility and to exercise guaranteed freedoms in a responsible manner consistent with the goals and traditions of the University. Students should acknowledge the interdependence of the University and the surrounding community and should take responsibility for their learning and collective welfare.

Upon enrollment, the student becomes a member of the academic community and thereby accepts both the rights and responsibilities associated with that membership.

It is the student's responsibility to know the policies, procedures, standards, and regulations which affect student rights; and it shall be the student's responsibility to obtain and act appropriately on such information. Ignorance of the information made accessible to the student shall not be cause to waive policies, procedures, standards, and regulations.

Student Services

Residence Life

From traditional residence halls to architecturally significant buildings, students at Salve Regina have the opportunity to live in a variety of unique housing options situated throughout our historic campus. Students are supported by the Office of Residence Life, which consists of professional staff members as well as student Resident Advisors.

First-year students live in our traditional residence halls, designed to help them meet classmates and get involved with activities, while most sophomores choose from one-of-a-kind rooms in historic housing. As juniors and seniors, some students choose to live in on-campus apartments with full kitchens, while others reside in the nearby neighborhoods of Newport.

Students residing on campus can easily access downtown Newport on foot or via public transportation. Steeped in history, diversity and religious

tolerance, today's Newport is a tourist mecca, with shops, restaurants, museums, galleries and sporting events permeating this "City by the Sea."

Campus Residency Requirement

As a residential institution, Salve Regina University places great value on the contributions a quality residential experience can make to student development. Experience has shown that campus residency during a student's college career is crucial to personal growth and the refinement of social skills. As a result, all full-time first-years, sophomores, and juniors who are not commuting to campus from their parents' permanent local residence (legal domicile) are guaranteed housing and are required to live on-campus. Students entering in the fall will have a three-year housing requirement for First-year, Sophomore, and Junior year. Requests for an exemption must be made prior to the year of residency requirement. All resident students are required to maintain full-time academic status.
